# SETH GOODALL

started by founding a company nearly 20 years ago that employs almost 50 people today...

**A little yard work turned into years of hard work and Seth just kept getting it done. Seth founded and ran Goodall Landscaping with his brother before college and law school. Today he and his wife LeAnn live in his hometown of Richmond where he serves as Chair of the Richmond Selectboard.**

**As a businessman and a community leader, Seth Goodall gets the job done. And that's what Seth will do for Mainers in the Senate.**

*"I am running for Senate to make Maine a stronger place to live, work, and do business. We need to change the way Maine does business and get our economy moving again. I'll bring new ideas and energy to Augusta as your Senator."*

– Seth Goodall

## A Hand in Maine's Future

- Helped bring Hodgdon Yachts to Richmond - bringing 60 jobs to town
- Lowered Richmond's property taxes
- Championed the revitalization of Richmond's downtown and helped bring \$1 million in economic development funds to Richmond
- Protected the environment by passing a green initiative, established recycling, and successfully fought to keep State land open to the public

## Heart and History in Maine

- Lives with his wife, LeAnn, in his hometown of Richmond
- Founded Goodall Landscaping, now of Topsham, with brother Ben
- Chair, Richmond Selectboard
- Graduate, University of Maine School of Law
